Need the presentation?

Get the app!

Download the "RAPS Events" app from the Apple App Store or Google Play Store.

Launch the app by clicking the icon for the “2019 RAPS Regulatory Convergence” icon on the opening screen of the app.

Click Login and enter your registration email address and your badge ID # to begin using the app immediately.

As long as you have an internet connection, you can access the app through your laptop via this link:

www.eventscribe.com/2019/RAPS

*Download before you go! On-Site WiFi service can affect the functionality of the app.
# Using the RAPS Events App

## Make the Most of Your On-Site Experience!

### Notetaking & Bookmarking
- Annotate notes directly on slides and bookmark specific slides to view at a later time.

### Create & Share Schedules
- Attendees can schedule sessions and personal items, then sync with their own calendars.

### View Exhibitor Profiles!
- View details about each exhibiting company, and use the interactive floorplan to locate their booths.

### Attendee Feed
- Attendees can post comments and photos for other attendees to view, like and comment on via the new Attendee Feed feature.

*Download before you go!* On-Site WiFi service can affect the functionality of the app.

---

## 1. Download the RAPS Events app

Search for “RAPS Events” in the Apple App Store or Google Play Store.

INSTALL and OPEN the app then click the “2019 RAPS Regulatory Convergence” icon to launch.

## 2. Log in to the 2019 Regulatory Convergence app

Click **Login** and enter your registration email address (username) and your **badge ID #** (password) to log in and begin using the app.

Click ‘Forgot Password?” in the top right corner of the log in screen to have your account information emailed to you.

## 3. Take notes on presentation slides

Find the presentation you need and interact with the presentation by drawing on slides or highlighting text. Use the note-taking mode to type your notes next to each slide. Notes are housed in the Online Personal Summary website. Click My Notes to launch that website or click Email my Notes to have the URL emailed to you.

### No mobile device? No Problem.

As long as you have an internet connection, you can take notes on presentations through your laptop via this link:
