Gather with the Regulatory Community in Phoenix!

In the last two years, regulatory professionals from around the world have made tremendous strides in advancing public health and safety in the face of a global pandemic. This dynamic community banded together in innovative ways to collaborate and implement strategies to support the profession and stay ahead in an ever-changing landscape. Without their contributions and sacrifices, advancements in medical devices and pharmaceuticals would not have been possible. Their outstanding perseverance and accomplishments are worth celebrating.

Reunite with Peers

RAPS Convergence 2022 will be an exciting time, as the global regulatory community gathers in person for the first time in nearly two years! The community is excited, ready, and looking forward to reuniting with friends and making new connections as they navigate the regulatory landscape together. Be a part of this dynamic moment in regulatory affairs by gathering with nearly 2,000 regulatory professionals in Phoenix, Arizona.
All Things New in 2022

Convergence 2022 will be like never before, with exciting enhancements for new and returning faces:

• **Break away from traditional learning:** new learning formats to promote collaboration, networking, and idea-sharing among colleagues

• **Sustainability:** a renewed focus on reducing paper and waste throughout the event (learn more at https://www.phoenixconventioncenter.com/sustainability)

• **Honoring our Leaders: RAPS 2022 Awards Celebration:** celebrate and thank our leaders, Fellows, RAC holders, volunteers, and award winners for their contributions to RAPS and the profession at-large

• **Career Central:** including resume reviews, career counseling, professional headshot lounge, meeting spaces, and a professional development theater

• **Monday Night Party:** private party during the Arizona Diamondbacks vs. Los Angeles Dodgers game at Chase Field (ticketed event)

• **Tuesday Night Closing Party:** leave the outside world behind and immerse yourself in the interactive and hands-on fun of the Arizona Science Center

About RAPS Convergence

RAPS Convergence is the largest and most well-recognized annual gathering of regulatory professionals and innovators in the world. Convergence brings together representatives from industry, global regulatory bodies, and research, academic and clinical organizations that are directly involved in managing the regulatory process and aligning science, regulation, and business strategy.

Convergence is designed to educate and empower professionals about the ever-evolving healthcare product regulatory environment within an interactive forum that facilitates community exchange, connections, and knowledge sharing.

"RAPS Convergence is the go-to-conference for all levels of regulatory professionals to learn up-to-date information on regulations, network with peers, and develop careers."

Go Beyond the Booth

Convergence is not only the regulatory meeting place for professionals — it is also YOUR meeting place. Go beyond the booth and network with attendees and speakers, hear directly from professionals on their challenges, and gain valuable information.

NEW! Exclusive exhibit hall hours: three-hour time slots each day exclusive to the exhibit hall for attendees to explore and interact with exhibitors. This also allows you the opportunity to attend sessions, take advantage of learning opportunities and be a part of important discussions with peers and potential customers. Make the most of it — this is your conference too!

Additional Benefits

- **Engage with Customers**: RAPS Convergence effectively strengthens business relationships, recruits regulatory talent, and showcases your products and services.

- **Build New Business**: Networking is a top priority for RAPS Convergence attendees. Connect with key decision-makers, develop new relationships, and generate awareness for your brand.

- **Demonstrate Expertise**: Help attendees navigate the complexities of today’s global regulatory landscape by demonstrating your expertise and solutions.

---

**RAPS Convergence is the quintessential collaborative space for regulatory professionals across industries and agencies.**
