

**RAC Credentialing Program  
Important Change Announcement  
10/06/2022**

Scantron, our testing partner, has been acquired by Meazure Learning.

**Please note the following changes. This information supersedes the Scantron delivery information in the 2022 Candidate Guide related to live online proctoring.**

<b>Before Autumn 2022</b>	<b>Starting in Autumn 2022</b>
Current process is in effect. All testing is done through Scantron.	Changes take effect. Scantron becomes Meazure Learning
Remote online proctored exam is through Examity.	Remote online proctored exam is through Meazure Learning's ProctorU platform. The delivery interface will look different for returning candidates.
Candidate support email is: <a href="mailto:candidatesupport@scantron.com">candidatesupport@scantron.com</a>	Candidate support email is: <a href="mailto:candidatesupport@meazurelearning.com">candidatesupport@meazurelearning.com</a>

**If you are planning to take an online remote proctored exam starting in Autumn 2022:**

1. Please review the links below.
  - [What to Expect](#) provides a detailed walk through of the entire check-in process including videos that show you what to expect during their exam.
  - The [Test-taker Resource Center](#) details how to create an account, describes system requirements, displays a full video showing the test-taking experience, lists FAQs and includes a link to test-taker support.
2. With the Meazure Learning acquisition of Scantron, candidates may see communications from Scantron, Meazure Learning, and ProctorU during this transition period. However, this is one organization.
