

2026 RAPS ENTERPRISE MEMBERSHIP

Empower Your Team with the Knowledge
and Tools They Need to Thrive

RAPS [Enterprise] Membership has elevated our intelligence in the regulatory space, and we view RAPS as a partner. There are a lot of evolving regulations that are rapidly changing, and—being part of a smaller organization with limited resources in the regulatory field—[we] can tap into RAPS' collaborative network beyond just [our] organization. We work together and contribute back to RAPS, and they definitely give us the opportunity to grow, learn, and add more to our portfolio.

Brianna Phillips Biodesix, Vice President,
Quality and Regulatory Affairs

Accelerate your team's professional growth!

RAPS is committed to elevating the skills and competencies for your entire team. By becoming a RAPS Enterprise Member, your entire organization gains access to a wide range of benefits, empowering your team with the knowledge and tools they need to thrive.

- Stay informed on the latest global regulatory news and trends
- Develop talent with specialized education, training and certification
- Grow networks with thousands of regulatory connections
- Navigate the profession with exclusive reports and research
- Share expertise by collaborating and raising your professional profile

Plus, your organization receives special recognition at RAPS' signature events like RAPS Convergence and RAPS Euro Convergence. And, you receive a single point of contact for all of your member needs.

“Having a resource like RAPS available to our team is really good for personal development. It also sends a message around the organization and demonstrates an investment in our employees, that we find professional development and continuing education really important for our team. Lastly, it promotes the idea of continual process improvement. I think it's really important we have a partner in RAPS that can help with that upskilling of our staff.”

Demetrius Carter

Certara, Senior Vice President of Regulatory Sciences and Medical Affairs
